

Oxford just scrapped the ~~MAT~~.

If your child is applying for Maths or CS, this changes everything.

↓ swipe

was:

~~MAT~~

now:

TMUA

Oxford Maths and CS now use the **TMUA** for 2026 entry onwards.

↑ *this is the same test Cambridge already uses*

1

test = 2 universities

Sit the TMUA once.

It counts for Oxford and Cambridge.

Less prep, not more.

← that's new

but heads up...

It's a completely different format to the MAT.

MAT

Long-form proofs
Oxford-specific
No longer used

gone x

TMUA

Multiple choice
Shared across unis
Two 75-min papers

prep for this ↓

your to-do list:

Past MAT papers are now useless for Oxford prep.

- Throw out old MAT practice papers
- Get TMUA practice materials from UAT-UK
- Register for the October sitting

updated for 2027 entry

Full test requirements mapped in my cheat sheets.
