

# Which admissions test does your STEM course need?

*Three tests. Different courses. Here's how to tell them apart.*

↓ swipe

# ESAT

*Engineering & Science*

---

| **Physics**

| **Engineering**

| **Natural Sciences**

| **Chemical Engineering**

| **Biomedical Sciences**

Used by **Cambridge, Imperial, UCL, and Oxford.**

# TMUA

*Maths, CS & Economics*

- | **Mathematics**
- | **Computer Science**
- | **Economics**
- | *and related courses*

Used by **Cambridge, Oxford, Imperial, LSE, Warwick, Durham**, and more.

# TARA

*Academic Reasoning*

---

| PPE

| Economics & Management

| Psychology

| Human Sciences

| *and more*

Used by **UCL**. **Oxford** adopts TARA from 2027 entry.

*important:*

## **Your child might need more than one test.**

- Check which test each course requires
- You can sit multiple tests in the same window
- Register for each one separately
- The test varies by university AND by course

*↑ always check the specific course page*

*don't let the wrong test catch your child off guard.*
